## **NEAREST TOWNS & VILLAGES**

### **NHABANGA VILLAGE**

The Village in which our resort is located, this is the hub of activity for the locals and visitors from the surrounding resorts. The following sights/services are available:

- There are three shops for the replenishment of very basic food stuffs (toiletries, water, and basic dry goods).
- Fresh fish and prawns can be bought from local fishermen in the village. However, they will often come round to the resort in the mornings to sell.
- Visit nearby bars all along the lagoon edge

## PRAIA DO BILENE

The nearest town to the Nhabanga Village is the picturesque town of Praia do Bilene, favoured holiday destination for patrons from all over Mozambique and indeed the world. The town is approximately 11km from the Village of Nhabanga. The following services/sights are available in Praia do Bilene:

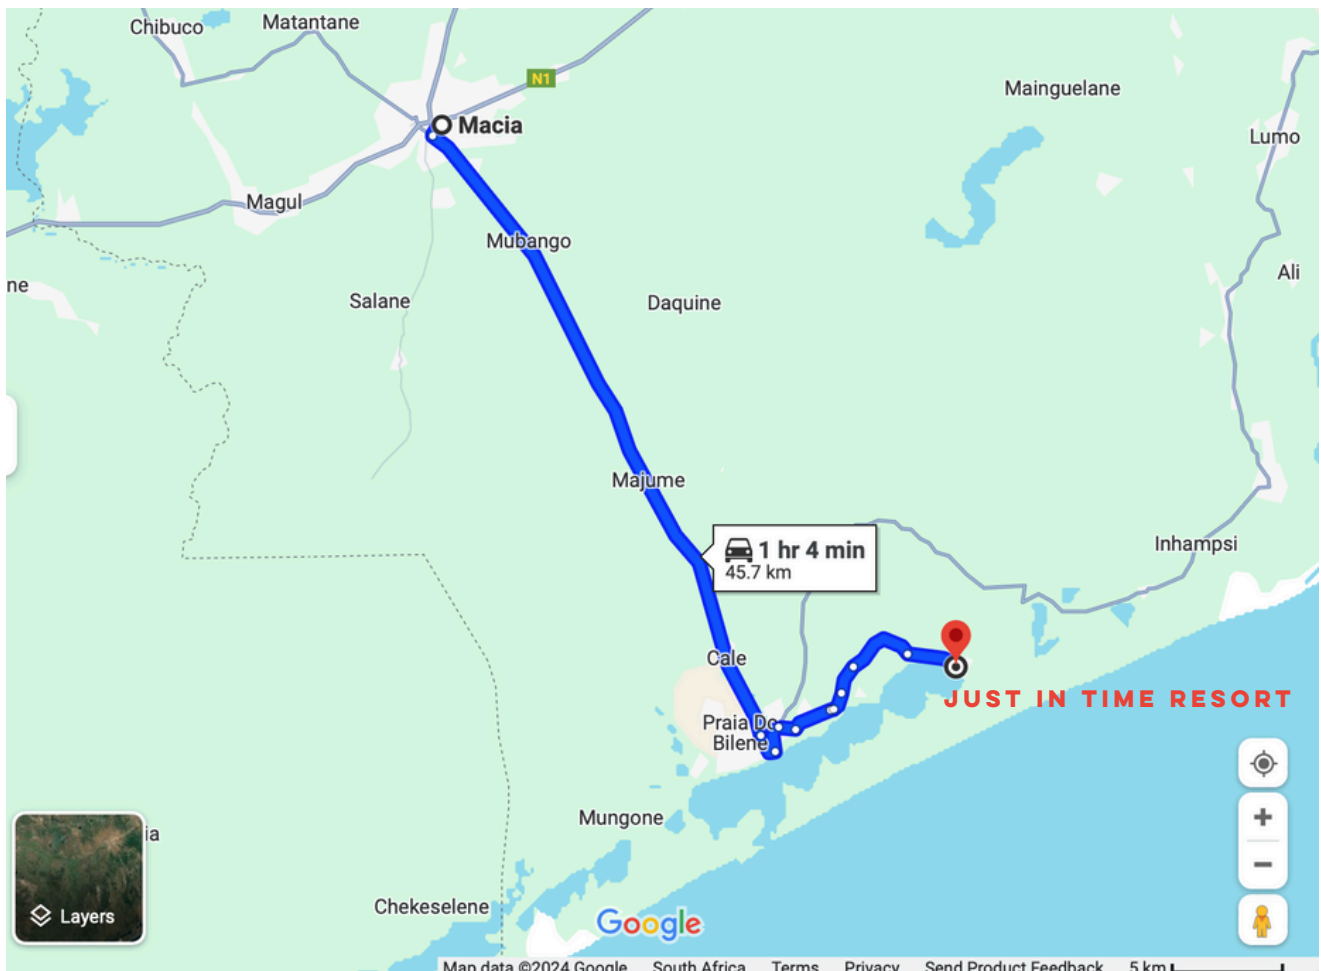

- Market area for the replenishment of fresh fruit and vegetables.
- Limited replenishment of basic food stuffs at the market or shops.
- Buying of fresh traditional bread (poa) at local bakeries.
- Buying of fresh fish, crab, prawns and other seafood delicacies.
- Market area for the inevitable shopping of local art and souvenirs.
- Access to commercial banks and ATMs should you run out of money.
- Access to service stations for the refilling of fuel and basic tyre repairs, and inflating/deflating of tyres.
- There is a variety of unique and indigenous Restaurants/Bars.
- An airstrip 1km out of the town. This is in good working order, although not manned full-time. Clearing customs in Maputo prior to flight to Praia do Bilene, is necessary.
- Fishing charters can also be arranged out of Bilene.

## MACIA

The town of Macia is 35km inland from Praia do Bilene. The following additional services are available in Macia:

- There is a Shoprite in Macia where you can stock up on all your grocery needs. We recommend stopping in here en route to Just in Time.
- Rudimentary hospital services.
- Access to mechanics and auto electricians.

# ATTRACTIONS AND ACTIVITIES WITH DIRECTIONS

## AROUND THE LAGOON

- Right on your doorstep is the **Coconut bar and restaurant**, which offers a variety of fresh seafood and local Portuguese cuisine. A selection of delicious cocktails are also available. You are welcome to request delivery of food to your cabin.

- There are a number of restaurants and bars dotted around the lagoon. All easily accessible from Just in Time.
- Cruises on the pontoon boat (maximum 12 persons) can be arranged and catered for through the Coconut bar.
- If you have your own boat, jetski or any water toys, you are welcome to launch them from the beach in front of Just in Time, with safe overnight storage available.
- There are also multiple spots to go snorkeling around the lagoon.
- For the more energetic, round up your friends/family (the locals will join in too), and have a game of volleyball on the beach in front of the bar.

## TRIP TO THE BEACH

The beach is accessible via a road through the village and over the dunes.

**Directions:** Leave out the back of the resort, turn right and first left into the village. Carry on straight out the village, follow the road up and over the dunes. There are multiple paths that branch off, however they all lead to the beach.

**Disclaimer:** You will need a 4x4 to travel this route, however it is not for the novice offroader as there is a lot of soft sand. Be sure to adjust tyre pressure, as well as make sure of the timing of the tides.

This is a prime spot for shore angling, swimming, sunbathing or pack a cooler and enjoy some sundowners at the koppie to the right of the beach. There are no life guards on the beach.

## TRIP TO THE MOUTH

Pack your coolers, gazebo and beach games and take a trip to the mouth of the lagoon. You can also book a trip out on our pontoon boat (maximum 12 persons), which includes a skipper and drinks arranged through the bar. This is a perfect option for those who would like to enjoy a slow cruise to the mouth and back, and be spoilt with the stunning sunset on your return.

Alternatively this can be done by driving from the Village of Nhabanga back to Praia do Bilene (approximately 11km) and chartering a small boat/ferry across from the PetroMoc Service Station at a nominal fee. Safe parking for your vehicle is available at the PetroMoc service Station. Please tip the car guards.

Should you have your own boat or Jet Ski it is advisable to navigate to Praia do Bilene and ask for a skipper to escort you through the correct channel in getting to the mouth safely, as there are a lot of sand banks that shift with the tides.

# TRIP TO ZONGOENE LIGHTHOUSE

The town of Zongoene is about 30km away from the Village of Nhabanga.

- An old but working Lighthouse is a sight to behold. The Lighthouse is still operational and located on a hill overlooking the town of Zongoene.
- This is also the town where the Limpopo River runs into the ocean. The view of this river is breath taking from the Lighthouse.
- A 4x4 is required to travel this route.

**Directions:** Leave out the back of the resort, turn left into the village, go past the school on your right and carry on towards the end of the village. Turn left, follow the road, at the fork go right. Make your way through two villages, past a high school which is on the outskirts of the second village. At this point you will see the lighthouse up ahead on top of the hill to the right. Follow the road towards the lighthouse.
